

LEARNING OBJECTIVES WORKSHEET

100 points

Late = 10% deduction per day + may not count hours

Required to pass course

Student's Name: _____ Company Name: _____

Check one: 090 091 Circle # of OCED units: 1 2 3 4 5 6 Major: _____

Objectives must be developed and written by the student with assistance, review and approval of the student's worksite supervisor and final approval of the Work Experience instructor/coordinator. **Create one (1) objective for each unit of OCED. If you are in OCED 90 most objectives should be directly related to your major.** Worksite supervisor DOES NOT fill out the form – merely approves the form. **If you have been notified that you have to redo your objectives, you have 7 days to resubmit with no point or hours loss. If this form is late you may NOT count hours worked before form is submitted and approved. If you are doing 4-6 objectives you will need signatures on both pages.**
